

DR ARUN K. GADRE, MD, FACS JOINS SENTA CLINIC®

SAN DIEGO, CA (August 3, 2017) – SENTA Clinic® is pleased to announce and welcome Dr. Arun K. Gadre, MD, FACS to its Otolaryngology – Head & Neck Surgery division as an otologist and neurotologist.

Dr. Gadre is board certified in Otolaryngology-Head and Neck Surgery and in Otolaryngology and Neurotology. In addition, he completed his Otolaryngology- Head and Neck residency at the University of California Davis Medical Center, in Sacramento California and his Otolaryngology and Neurotology Fellowship at the New York University Medical Center and Tisch Hospital in Manhattan.

Following training, he was director of Otolaryngology and Neurotology at The University of Texas Medical Branch, Galveston and University of Texas Health Sciences Center in Houston.

For the last 10 years, he was the Heuser Hearing Institute Chair in Otolaryngology and Neurotology at the University of Louisville. He became nationally and internationally recognized for his work.

His main areas of interest include, Cochlear Implant Surgery, Surgery for Chronic Otitis Media and Cholesteatoma, Otosclerosis, and the management of all kinds of hearing loss and balance disorders.

He has a great deal of expertise in the management of infections and tumors of the ear and temporal bone. His other interests include the management of Facial Nerve Dysfunction. He also has a keen interest and expertise in the management of complex conditions involving the lateral and posterior skull base such as Acoustic Neuromas, and Meningioma. He has been involved in minimally invasive endoscopic ear surgery. He recently discovered a new etiology for vertigo following head injury.

He is credited with more than 40 peer-reviewed papers and is on the editorial board of the *Laryngoscope* and *the International Journal of Advanced Otolaryngology and Neurotology*. He is also an internationally acclaimed speaker in his chosen field. He has made several medical mission trips to India, and Vietnam and has lectured in Italy, Russia, Vietnam Turkey, Kingdom of Saudi Arabia, Egypt, Mexico, and India

He was research fellow at the House Ear Institute, in Los Angeles and the Eleanor Naylor Dana Laser Research fellow at The Lahey Clinic, in Burlington Massachusetts. In addition to being a Kentucky Colonel is the recipient of the MOSAIC award in the city of Louisville.

Dr. Gadre is accepting new patients suffering with disorders of the ear and temporal bone. Appointments can be made by calling:
